

Dear Loyal WOLF Performance Ammunition Customer,

We are aware of confusion in the ammunition market place regarding authentic WOLF Ammunition. To clarify, please read the following:

Herter's is Not WOLF Brand Ammunition
Tulammo is Not WOLF Brand Ammunition
Ulyanovsk (White Box) is Not WOLF Brand Ammunition.

Most importantly, the above brands are not covered by WOLF's 100% Performance Guarantee.

It has been brought to our attention that the listed Brands have had ammunition with the WOLF headstamp in their packaging.

If you are in possession of this mislabeled product, please call WOLF at 888-757-WOLF (9653) so that we may exchange it out for authentic WOLF Performance Ammunition that is 100% Performance Guaranteed. WOLF will take care of the shipping cost and give you a complimentary WOLF T-shirt for your support.

The following is a list of the authentic WOLF Brands:

WOLF Performance Ammunition
WOLF Military Classic
WOLF GOLD
WPA (WOLF Performance Ammunition)
WPA (WOLF Performance Ammunition) Military Classic
